Dr. Leonard Tuchin will present the workshop for this meeting. Topic to be announced.

NOVEMBER 21ST -- B&W MEETING

The workshop for this meeting night will be entitled "A Negative Filing System" and will be presented by Emerson Gray.

NOVEMBER 26TH -- SPECIAL WORKSHOP

Our second special 2 hour workshop will be given by Glen San Lwin on the subject of Macro-Photography. It will be held on Monday, November 26, 1973 at 8 PM in our regular meeting room at the Silver Spring Library. Anyone who saw Glen's short workshop on this subject (close-up photography) knows that this will be a most enjoyable and educational evening. Members of the club are urged to come and to invite interested friends.

B&W PRINT CRITIQUE MEETING

The third meeting of the B&W Print Critique Group will feature the well-known journalist-photographer John Motelsky. His subject will be "Resin Paper and Celebrity Photography." The meeting will be held at the residence of Walter Seelig, 8909 Victory Lane, Rockville, Md., on November 15, 1973 at 7:45 PM. Mr. Seelig's telephone number is 340-0934.

The first half of each meeting is reserved for expert advice provided by a talented photographer. The second half allows for comparison of members' prints, comments and suggestions for improvements. Meetings are scheduled so as to allow a weekend between that date and subsequent B&W club meetings. This timing permits members to improve prints prior to club monthly competitions so as to find places among "in" prints.
