APRIL PROGRAMS

APRIL 4th - COLOR SLIDE MEETING

Your Color Program Chairman urges you to attend the color slide meeting April 4th when our guest for the evening will be Mr. Gary Bernstein. Mr. Bernstein, a professional photographer, made his first appearance at the SSCC approximately two years ago with Mr. Monte Zucker, successful portrait photographer. Mr. Bernstein later appeared again the following year, by himself, and presented an excellent program on creativity in photography. The color slides and color prints that he showed us that night were "fantastic." He was also gracious enough to appear as a guest and judge at our year-end banquet last year. Mr. Bernstein plans to bring more of his great pictures and will discuss the photographic circumstances involved when taking the pictures. He also plans to make available to us a new book he has had published about photography. Your Color Program Chairman, in his humble opinion, feels Mr. Gary Bernstein is one of the finest photographers to have appeared at our club in the past five years -- he recommends you not miss him on April 4th!

The address is 13010 Ingleside Drive, Beltsville, Md. (maps will be provided at the upcoming meeting). If you plan to attend, please call Dick at 572-4333.
