FIELD TRIPS

Well now— our first trip, to Annapolis, was a success for those of us who went as we had good weather and good company. Pictures ?

As for the second trip, to St. Michaels, well — I had a good time anyway.

For our next Field Trip I think we'll try doing it a little different, you can pick your day, Saturday, Dec.13, for those who can't make it on Sunday, and Sunday, Dec. 14, for those who can't make it on Saturday.

The place is Dulles Airport first, then to Alexandria, Va. if time permits.

The time is the same, meet at the Silver Spring Library parking lot at 9:00 A.M. on Saturday, December 13, or 9:00 A.M. on Sunday, December 14. Or, better yet, why not go both days and use up all that old film you have around the house.

? Question ? Why are manholes round ?

Think about it and I'll see you on Sat., the 13th, and/or Sun., the 14th.

Robert (Skip) Waters

MONOCHROME MEETING

December 18 Silver Spring
7:45 p.m. Library

Topic - "Photo Equipment Maintenance and Repair"

Mr. Charles Sheer
National Camera

Charles Sheer came to the Washington area in 1948. He has been doing business at National Camera for 18 years providing sales and service to both amateur and professional photographers alike. His background in photography includes his service as a freelancer during which he has covered inaugurations, launches at Cape Kennedy, and the riots. He has taught photography courses at George Washington University and the Corcoran Gallery of Art, and he was involved in developing a drug abuse program for the National Football League. Mr. Sheer became involved in camera maintenance because he felt that good photographers are available, but good repairmen are hard to find. Using a slide presentation, he will discuss with us the "happenings" that occur inside the camera. He will judge the print competition for the evening.

SECRETARY VACANCY

Lena Sherman (our Treasurer) and I have temporarily filled the vacancy since Terry Nelson resigned due to job commitments. We have 150 members and feel sure there is a member who would enjoy doing the Secretary job. I did during the two terms I served. I will be happy to fill in when you cannot be present at a meeting. You don't have to be able to take shorthand - our Executive Board meetings are taped and I can still transcribe them; each committee chairman does his own correspondence. Your main service would be to keep individual member competition scores and get list to Cable Release. We have a system that is easy to learn and not time-consuming. So, if you are interested, contact Emerson Gray at 762-8415. Thanks! - Thelma Gray
