Mr. Norman Rothschild
Senior Editor, Popular
Photography Magazine

Norman Rothschild is widely known for his experiments in the use of color materials to achieve unusual and creative effects. He has been described as "the world's most enthusiastic amateur".

Mr. Rothschild's active interest in photography began during his Boy Scout days. At age 18, he started to freelance and during World War II, he served as a Signal Corps photographer. He has been writing about photography since 1952. His monthly feature, "Offbeat", has appeared in Popular Photography for the past 15 years.

In addition to his activities as a writer, lecturer, and technical consultant, he has authored 3 books and currently teaches at New York University and the Camera Club of New York. Mr. Rothschild will share his creative ideas and techniques with us via a slide presentation. Come early and assure yourself a seat!

ELECTION OF OFFICERS for the 1976-77 club year will be held at the May 6 meeting. The Nominating Committee has proposed the following slate:

President: Michael Stein
Vice Pres: Richard Thompson
Secretary: Jeff Greenberg
Treasurer: Garry Kreizman

Additional nominations may be made from the floor.

Letter from the S.S.C.C. PRESIDENT

As we approach the end of our club year, I can no longer resist making a few comments to my camera club friends. Since joining in 1969, I find that each service I render comes back to me tenfold in friendship, pleasure and honors. I encourage each of you to try the same.

Our year started with a budget problem and I want to thank all the members of the club and especially the Executive Board for doing such an outstanding job at a minimum expense in providing excellent speakers, workshops, study groups, field trips and the Cable Release.

Our membership has increased from 145 to 168 and our members have achieved an enviable competition record in the club, Councils and in many national and international competitions. For those of you who have entered these contests, thank you; for those who did not, thanks for your support. Perhaps next year you, too, will show your work. I recommend a review of past Cable Releases which show the many varied and excellent activities and programs we had this year.

Our Club has been a fun club even with the "brevified" coffee breaks, white gloves and two meeting places. I hope during the next year to be able to visit with each of you at the club meetings, study groups and field trips. We still have the GWCCC Club competition to win, their seminar to attend, and our annual camera college trip to Amherst, Mass. in July. I hope to see you all at the annual banquet and enjoy a grand social evening. Good Shooting!

Your S.S.C.C. President,
Emerson Gray
 and helpmate, *Thelma*

A June issue of the Cable Release will be printed to permit listing of May winners, Year-End Awards, GWCCC winners, announcements, and a general wrap-up of the Club year, as well as a preview of next year.
 Editor

GWCCC CLUB CONTEST

Last pick-up of prints and slides will be at the May 6th meeting. The selection of the photographs for the contest will be on May 8th at 11:30 AM at my house, and entries will be accepted up until that time. We need your best work to achieve what we did in the All Maryland Club Contest. Novice print and slide makers - we need your help to assure a win.

You may enter up to 4 prints in the category that you are within the club. Color printers may enter in novice class, maximum 11 x 14, or advance work, 16 x 20.

Slides: Novice workers may enter 4 slides only. Advance workers may enter 4 slides in each of 3 categories or 12 slides total in nature, experimental and pictorial (which includes people and events) groups.

GWCCC SEMINAR

Tickets for the Saturday May 29th Seminar described in the April Cable Release are available from me at \$5 and \$3 for students. Tickets at the door are \$7.

Garry Kreizman
 GWCCC Chairman

* * * * *

I would like to express my sincere apologies to our members of the Jewish faith for having our meeting scheduled on April 15, the second day of Passover. The fact that the library room was reserved in April 1975 for the club year was really no excuse for this oversight which caused many of our loyal members to miss an excellent meeting. Future club Presidents are forewarned to check the calendar when the meeting dates are requested so this will not reoccur.

Emerson Gray

PHOTOGRAPHIC SYMPOSIUM

The Council of Maryland Camera Clubs is sponsoring the 6th Annual Photographic Symposium on Saturday, June 5, 1976, at the College Theatre, Harford Community College, Bel Air, Maryland. This is less than a 90-minute drive from Silver Spring and well-worth the trip! Admission price is \$6.75 each and includes a delicious hot lunch (it was great last year!) The program starts at 9 a.m. and ends around 5 p.m.

The program includes Robert Otis from Berkey Marketing Companies on "Everything About Color"; M. T. Cohen, "The Life Study Approach to Photography via Photographing Nudes"; Glen SanLwin (SSCC's own), "Close-up and Macro Photography Simplified" and Graham and Hazel Cromwell, "Photoessays Without Pain". In addition, there will be a model shooting session during the lunch hour. A TREMENDOUS VALUE FOR THE MONEY!

See Rudy Schuetzler for a brochure, map and tickets. Please make out checks for "Council of Maryland Camera Clubs, Inc." Closing date for ticket sales is May 22; however, tickets may be purchased at the door but lunch will not be included.

Dick Thompson recently won a \$50 Savings Bond for his black and white print which placed first in the C&P Telephone Company's annual Environmental Photography Contest. The photograph which was taken during a club field trip to Tilghman Island will now compete with winners from all Bell System Companies in the national competition.

Last year, Dick placed first in the color category of the C&P Contest.

PHOTO SHOW

The photographs of Pat Stickle Herrewig will be on display in her first one-woman show at the Dupont Circle Colorfax Gallery from May 14 to June 17.

Pat, a freelance photographer, is a former SSCC member and former Cable Release editor.
