MARVIN M. TENBERG will present a program entitled "What You Always Wanted to know about taking pictures of the Birds and the Bees But Were Afraid to Ask".

Marvin, an E.E. for Westinghouse, has been engaged in photography for 25 years. He was affiliated with several Baltimore camera clubs, the latest being J.C.C. Associates, a small work shop group. His photography has won many local awards including a recent Sun Papers contest. He now specializes in nature photography and has spent three to four years preparing the evening's program.

FIELD TRIPS

Our first Field Trip this year is going to be a picnic at Great Falls (VA.). All members, husbands, wives, girlfriends, boy-friends, kids and cameras welcome.

Bring your own food and drink and lets get to know each other better.

Take the Beltway to Exit 13, Route 193 (Georgetown Pike). Take 193 away from town for 5 (+ or -) miles then turn right on Old Dominion Drive to the park. The best picnic area is on the right just after you pay the \$ 1.00 to get in.

The day is Saturday September 18, 1976.
The time is from 8 AM .
