A DARKROOM NEEDS A HOME...

Sound interesting? Dr. William Scott has a well equipped darkroom that is capable of making 16x20 prints, but has no where to put it. He needs a house that needs a darkroom, if that is understandable. If you have a house that could accomodate this it could make Dr. Scott and you very happy (you would have full use of the darkroom). Please call 559-5949.
