DUES

At a meeting on February 8, the Executive Board voted to recommend that the annual dues for SSCC members be raised from \$12.00 to \$15.00. Final action on this matter will be taken by the Board at a meeting on April 12, 1979. Interested members may speak

on this proposal at any regular meeting of the Club prior to April 12, or at the April 12 Board meeting. Those desiring to speak to this matter on April 12 are requested to advise Guy Cunningham (460-8836) on or before April 5, 1979.

A NOTE ON END-OF-YEAR AWARDS

With the chill Winter still upon us, the June banquet may seem a long way off, but time has a way of moving up on us, so this seems like a good time to explain some of the year-end awards which are presented at the banquet (I hope to see you there).

First, there's the year-end competition. Trophies are given out, and you may enter 5 items in each class/category --but, they must have been entered in a SSCC or GWCCC or Md. Council competition during the past club year.

A photographer-of-the-year award is made in each class/category (e.g. intermediate monochrome) to the person who has earned the most competition points during the year. If you check your copy of the competition rules, you'll see that higher points are awarded for council wins than SSCC monthly competitions. Note that you earn points just for having an entry submitted to GWCCC and Md. Council interclub competitions!

A service award is presented to the member cited by the board for outstanding service to SSCC during the past year.

Not limited to the end of a club year, but still quite an honor, are the star awards. These are awarded in recognition of continued competition excellence, points are counted the same way as in the photographer-of-the-year awards, but the count is carried from year to year over all classes. One star and a plaque is awarded for the first 50 points earned, with additional stars (up to a total of five stars for 250 points) for each additional 50 points. Upon reaching a total of 300 points a Master of Photography plaque is presented.

Good luck, and DON'T FORGET THE GWCCC and MD.COUNCIL INTERCLUB COMPETITIONS!!!!

FOR SALE: Gossen N100 Null System exposure meter. Current model, still in warranty, brand new for all practical purposes. \$30.

FREE...FREE...FREE...LAST CHANCE!

It will cost you absolutely nothing to enter the 1979 Maryland Council Interclub Competition. But, time is short, March 1st is the last SSCC meeting to turn in entries. Remember, there are no subject categories, and you may (should!) submit 3 entries in each class --B&W prints (8x10, 11x14, 16x20); color prints (11x14, 16x20); color slides (nov., unlim.).

Remember too, this is an interclub contest --that means that in addition to individual awards, SSCC will be competing as a club. WE NEED YOUR HELP TO WIN!! Please help yourself and your club by entering. Unless we fill our quota in each category we don't stand a chance. Every SSCC member who has competed at all this year, especially novices, should be entering this competition.

If you can't make it to the March 1 slide meeting, call any board member to make arrangements for turning in your entries, or call Mike Stein (384-5427) --they may be dropped off at his house up to noon on Sunday, March 4.

Thanks for helping!!!
