DON SPARKS OF NATIONAL GEOG. RETURNS
Those of you who were fortunate enough to witness Don Sparks' slide presentation on March 2, 1978 will need no prompting to attend the October slide meeting at which he will be featured speaker and competition judge.

Those of you who have not previously seen Don in person are probably familiar with his artistry. It would be difficult to name a major magazine published in the U.S. today in which this fine artist has not exhibited the products of his talent.

Presently, Don is Picture Editor for National Geographic and teaches photojournalism at George Washington University. When he graduated in Photojournalism from the San Jose State College of California, he was invited to membership in Kappa Tau Alpha, the national honorary society for photojournalism.

We are indeed fortunate to have Don back! Visitors are welcome.

Selena Parker, well known model, actress, and fashion coordinator will talk about the proper make-up models should wear during photo sessions. She will also give tips on how the photographer can relax the model for the shooting. Visitors are welcome.

23RD ANNUAL SHOW BY MARTY MILLER

The first exhibit of photographs in the Silver Spring Library, from March 1 to April 2, 1957, was a one-man show of black & white prints by Club Member Marty Miller. From Sept. 29 to Nov. 2 the Library is again presenting Marty's work. This will be the Library's 23rd successive annual one-man show of new monochrome prints by Marty! It will consist of 19 photos taken this summer in the national parks.

In August Marty was elected an Honorary Member of The Photographic Salon Exhibitors' Association of Hong Kong. The members of PSEA chose this way to express their appreciation to Marty for his helpfulness to their society. Marty is also an Honorary Member of the National Photographic Society and of the Berks Camera Club of Reading, PA.

Greetings and Salutations!

I would just like to let everyone know that as of this month our illustrious Cable Release has a new editor. My name is Carolyn Little, and I may be reached by phone at: 881-0283. News items may be mailed to me at: 4707 Coachway Dr.

Rockville, Md. 20852

The items should be typed, single spaced, in a column no wider than 3½ inches. I must receive all items no later than the Friday before the first meeting of each month. Here's looking forward to another exciting (and newsworthy) year!

HOSPITALITY KING/QUEEN NEEDED

Now that the rare Camera Club Coffee Maker has been put on the endangered species list, will you please make an extra effort to contact Anne Lewis at 384-4938 if you know of one or are one yourself. If one is not found we may not be having coffee during our traditional coffee breaks.
