SLIDE MEETING

NOVEMBER 1st 7:45pm
SILVER SPRING LIBRARY
COMPETITION: OPEN

STEVE SCHOENBAUM OF A.U. TO SPEAK

The guest lecturer and competition judge at our November 1st slide meeting will be Steve Schoenbaum, a very personable young man with sharp eyes, a glib tongue, great imagination, a sense of humor, patience and lots of photographic talent and experience. Sounds too good to be true, doesn't he? American University found he was 'for real' and appointed him head of their photographic department.

Some of you may have attended one-man or group showings in which Steve has exhibited his work. In addition to teaching, he works as a commercial photographer and cinematographer. For his 16mm efforts, he has won in the Chicago Film Festival; the Cine awards; and the National Industrial Awards.

Long before attending and graduating from A.U.'s Communications School, Mr. Schoenbaum learned photography in the "Real World" by getting out there and shooting!

See you Thursday, Nov. 1. Visitors are welcome.
