PRINT MEETING

NORTHWOOD HIGH SCHOOL
COMPETITION: ARCHITECTURE

Zen and the Art of Photography -

Did you ever feel that you are a better photographer than your photographs show, ... feel that your hobby does not bring you as much enjoyment as you think it should, ... feel that sometimes your photographs cause you to become frustrated enough that you buy a piece of equipment and later realize that you didn't need it?

At the November 19th print meeting Pierre Ruffieux will help you to work at these and other photography problems. He will illustrate some solutions with slides and prints.

Pierre is a former member of the SSCC. He has worked mainly in Black & White prints since 1972 and has won awards locally and in PSA. He is a member of the Latent Image Workshop and PSA, has earned a one star rating in monochrome prints in PSA, and is involved in their print of the month group. Pierre has had shows at some of the Colorfax labs.

A Final Reminder!

The SSCC membership dues must be paid by November 1 in order to be a member of the Silver Spring Camera Club. Competitions are only open to paid-up members of the club. So don't delay any longer!

New Directions Workshop

NDW had its first meeting at Mike Stein's on October 9th. The 12 of us present had from under one to over 19 years of SSCC membership; some were active regular competitors, some very infrequent competitors. The common thread that brought us together was an active, often an imated, interest in exploring and sharing new photographic techniques and developing our full potential of artistic expression through photography.

On the agenda for future NDW activities are group presentations and exhibits of what we are doing and what we are trying to accomplish. If you'd like to become involved in this process of growing and sharing, let us know!

The next meeting of NDW will be Wednesday, November 12th, at Garry Kreizman's; give him a call (384-4911) if you plan to attend.

Ex Bd Meeting

There will be an Executive Board Meeting at Anne Lewis' home on Thursday, October 30. Please call Anne if you plan to attend the meeting.

Food for Thought

"Salons as they are now conducted are not exhibitions of genuine art, although the exhibitors too often present them to the public as such. Occasionally a work of art gets into an international salon, but by and large, hemmed in as it is by a jury system that has long since become atrophied, salons are made up of technically excellent mediocrity."

—the above is a quote from the June, 1946 issue of Popular Photography!
