Volume 28, Number 8

Slide Meeting (April 5th)

The first meeting of the month will be held at the Kemp Mill Rec. Center. The speaker and judge for the meeting will be Kathleen Ewing, who is President of the Association of International Photography Art Dealers and is on the board of the Washington Photography Art Dealers. She established her own retail gallery in Washington in 1976 and holds 8 to 10 exhibitions each year. The Kathleen Ewing Gallery is the oldest fine arts photography gallery in Washington and is located on Connecticut Ave. near Dupont Circle.

The Kathleen Ewing Gallery represents about 25 photographers across the country who have been recognized for their achievements by major museums, private collections, and galleries in this country and in Europe. The gallery also exclusively represents the A. Aubrey Bodine collection. (Bodine photographed for the *Baltimore Sun*

Slide Meeting Location

Sunday magazine from 1927 to 1970 where he practiced a salon style of Pictorialism with consummate grace and skill.) In 1985 Ms. Ewing wrote a biography of Bodine entitled *A. Aubrey Bodine: Baltimore Pictorialist, 1908-1970*.

Kathleen states that her goal is to make sure fine art photography by the local artists as well as the national ones receive its fair share of cultural attention.

Kathleen's topic for the evening will be how to prepare and arrange your own photographs for exhibition. The competition subject will be Night Photography.

Print Meeting at the Longbranch Library (April 19th)

The location of the print meeting will, at long last, be held at our old meeting place, the Longbranch library. The speaker and judge for this meeting will be Jake McGuire. Jake is known for his striking photos of Washington, D.C. Over the last 20 years he has taken thousands of pictures of Washington, creating one of the largest collections of photographs of our Nation's Capital.

McGuire's photos decorate the concourse at Dulles Airport, appear in private collections, exhibitions, offices, and are often found in airline and travel magazines. He has won 11 awards for photography and photojournalism.

In January 1989 the Presidential Inaugural Committee selected one of

McGuire's images of the White House, taken during a snowstorm, as the official inaugural gift. The image was produced as a limited-edition print, bearing the Presidential Seal and the official signatures of the President & Vice President, and given to Bob Hope, Frank Sinatra, and other notables that performed at the Inaugural Gala.

The *Norfolk (VA) Ledger Star* recently said, "It is this rare combination of beauty and quality of subject that will make McGuire's photography the definitive look at Washington for a long time to come."

The Editor of Piedmont airlines *PACE Magazine* said, "McGuire's camera and the District do wonders for each other . . . at this magazine we have grown so accustomed to turning to McGuire when a Washington shot was called for that to us Jake and the District seem inseparable."

The competition subject for this print meeting will be OPEN.

Nomination and Election of Officers and Director(s)

It's that time again! Election of Officers and Director(s) for the 1990-91 SSCC Club year is due in accordance with Articles VI, VII, and XIV of the Club Constitution. To explain the process to our new members and to jog the memories of the rest of us, the following quote from the Club Constitution is here offered.

Ref. Article XIV, Section 1, para. A.

Nominations and Elections Committee.

(1) This committee shall present a slate of candidates for Club Officers and Director(s) at the regular Club Meetings in April. Following presentation of the slate, the Committee shall solicit and accept nominations from the floor. Neither the slate nor floor nominations need a second; however, each candidate must state a willingness to serve.

(2) The committee shall conduct elections during the first regular Club meeting in May.

Jim Harris
Committee Chairman

Board of Directors Meeting

The next SSCC Board Meeting will be held on April 12 at 7:30 p.m. at President Jim Malaro's home. All officers, directors, and chairpersons comprising the Board are expected to attend. Any SSCC member who is not a member of the board may also attend board meetings, although they will not be able to vote on the issues brought to the floor. One of the agenda items for this meeting will be the selection of competition subjects for the 1990-91 club year; another will be the voting for the Service award. All those planning to attend should contact Jim at 530-5472 to let him know you are coming.

Special Notes

Belated congratulations to Mary McCoy for winning an Honorable Mention in the CMCC Fall Competition with her Advanced Slide entitled "Golden Web." Mention of this award was unintentional, and unfortunately left out of the December *Cable Release*.

Congratulations also to Chuck and Pat Bress. They have been invited to judge the year-end competition at the North Bethesda Chevy-Chase Camera Club.

Please note that SSCC's Year-End Competition entries are due by the print meeting of May 17. Remember, only photographs that have been entered this club year in SSCC, CMCC, and GWCCC competitions are eligible. Also, entries must not have won an SSCC Year End Award before. Watch for the May *Cable Release* for more information.

An Apology

To all my friends at the Silver Spring Camera Club who counted on my auctioneering on March 15, 1990, my

sincerest apologies. I was all ready to perform these duties on March 22, having gotten the third and fourth Thursdays confused!

When Mike Stein phoned the following Friday to find out if I was still alive, I was appalled to learn what I had done (or not done, in this case).

Worse yet, I still have all this wonderful stuff that I had wanted to auction off. If our dear editor will permit, I offer three items from my auction collection. If anyone is interested, please phone me at 774-3463 (from 5 to 9 p.m.). If I get more than one call for any item, I will sell to the highest bidder. The SSCC will get 10% of any sale.

1. Canon Sure Shot auto everything camera. 38mm f2.8 lens. Excellent condition. Minimum bid \$70.00.

2. Commodore 128 Computer System - complete with disk drive, modem, mono monitor, C.Itoh printer and several hundred dollars worth of genuine software including professional data base (with my template for club entries) and professional word processor. It's complete and ready to use; everything is in excellent or better condition. Minimum bid \$400.00.

3. 16x20 Print Washing Tray. Plastic tray with perforated "pipe" across one end, easily attaches to water source. Works perfectly. (I replaced it with a monster tray to wash up to 20x24 prints.) Minimum bid \$12.50.

Again, my apologies to the club and my thanks to Mike and his helpers.

Arthur K. Yellin

Henry's Photo Seminars

Henry Rosenthal's home brewed photo seminars is expanding. He will now cater his Monday evening gettogethers more heavily toward the novice photographers. And on Saturday mornings Henry is adding another session that will concentrate on the needs of the more experienced photographers.

Henry reports however that members of all levels of experience are invited to either or both of the two meetings. He feels that perhaps some of the novice photographers may also want to work along side their more experienced peers. For more information on Henry's seminars, please call him at 587-2235 or listen for his announcements at the next meeting.

New Directions Panorama Project

(Sunday, April 8)

RAIN or SHINE

The New Directions Workshop will hold a special project trip to the Kennedy Center to produce a group panorama using the Kennedy Center and its surroundings as its subject. All those planning to come should meet at the Silver Spring library parking lot between 9:00 and 9:15 a.m. on Sunday, April 8. We will form into carpools and proceed to the Kennedy Center, hoping to arrive there by about 10:00 a.m.

To ensure consistency in this group panorama project, it is necessary for all photographers to shoot the same type and speed of film and have the film processed by the same lab. I have chosen Fujicolor 400 print film 36 exposure. So please bring at least 1 roll for the project and 1 roll for yourself. Please also bring a variety of focal length lenses—e.g., 28mm, 50mm, 135mm, and 200mm. Upon completion of the project, I will tag everyone's film and take all the rolls to a low budget film processor and have 3-1/2 x 5 prints made. Hopefully, I will find out about how much it will cost per roll prior to the trip.

This field trip will be held regardless of the weather. If the weather is good, we'll shoot outdoors; if it sours, we'll shoot inside or under the large overhanging eaves of the Center. If you have any questions, call me at 384-4911.

Field Trip News

April Field Trip Newcastle, Delaware

When we went to Newcastle a few years ago, the weather dealt us a bad break. It rained and it was cold! However, it did not keep us from photographing some pretty dull images of the cobblestone street, the colonial architecture, and the coastline of the historic town. Through our photographic eyes we could visualize the greater images we could get if the weather were more cooperative. So we'll take our chances again and this time I'll put in a very special order for exquisite photographic weather.

Meet at the Silver Spring Library parking lot at 7:45 a.m. for carpooling. If the weather look like another bust, call me the day of the trip before 7 a.m. If there is no answer, it means that I have already left for the library.

Last Call for Western Trip

We will soon start planning the itinerary for next year's trip out west, either early spring or late fall in 1991. As I indicated earlier, about 10 members have expressed their desire to go on such a safari. Although several announcements were made since then, no additional interest has been shown. So if you are interested in joining the original 10, please let me know. THIS IS NOT A FORMAL SIGN UP! It is just an expression of interest in going, on your part.

Very Last Call for Portugal

If there are any stragglers around who could not decide on going to Portugal but who suddenly have decided to join us, I will try to include you, if we can get additional space for you. Twenty of us are now all set to leave on May 4, and you can all look forward to sharing our adventure with us when we return to "Show and Tell."
