NBCC Photo Essay 2017

Sunday, March 12, 3:00 – 5:00 pm

Mark your calendars! NBCC is pleased to present the Photo Essay 2017 program. This continues our Club's long-running annual tradition in which NBCC members produce slide shows of their beautiful photographs set to music. This year is the 31th anniversary of NBCC slide shows. Past programs have been very well received, and this is our most popular event of the year.

This will be our 10th year presenting the show in a large and comfortable theater-like setting. This year the presentation will be on **Sunday afternoon, March 12th**, in the Rosborough Center auditorium at Asbury Methodist Village, Gaithersburg, MD. The auditorium seats 250 people very comfortably. (Nevertheless, we recommend arriving early to get a good seat.)

Members of NBCC, residents of Asbury Village, and their respective guests, are invited to attend. Members of other local camera clubs and their guests are also invited. The event is free. The show will be presented from 3:00 to 5:00 pm, with a short intermission. Directions to Asbury Village are on the last page.

An Overview of the Photo Essay 2017 Program

At the risk of losing the element of surprise, here is a preview of some of this year's photo essays. This year, as always, we have wonderful essays. But with more diversity than usual. Cuba before the tourists. Tanzania wildlife, at peace and "on the hunt". Poignant essays that will bring tears to your eyes. Travel to interesting places – Bhutan; Myanmar; Vienna, Austria; Puglia, Italy; Hawaii; the Arctic and the Antarctic. For art lovers, we have craftsman essays. For nature lovers, we have the wild flowers of the Dolomites in Italy, and landscapes from Yellowstone and the Grand Tetons National Parks. For fun, we have mysterious composite images of ladies in the woods. And if you enjoy people, the "boss" in concert, and photographic vistas from a drone, you cannot not miss this show! These essays—and other surprise essays—will delight you, entertain you, make you laugh and cry, educate you and perhaps motivate you to develop your own photo essays for presentation to family, friends, and colleagues.

Please make sure this once-a-year-event is on your calendar, and come early to ensure good seating! Previous shows have nearly filled the auditorium.
