

millioneyez.

million eyez is a new platform that connect photographers and writers to create visually rich stories.

The million eyez global community of photographers, upload their photos to live stories and gain exposure for their work by reaching new audiences.

“million eyez is evolving the way stories are produced. It is a game changer. I want to help my fellow photographers adapt to new models, let their work be seen in context and receive credit for their contribution.”

Essdras M Suarez, Chief Photographer
Pulitzer and Kennedy Awards winner, photojournalist
