***Street Photography:**

The cost is \$130 per person: Minimum 10, maximum 16.

Those attending get a four-hour street-photography tutorial while we document an urban landscape, and its people. This is done in the style of photojournalism where you adapt your approach to any given situation in front of your lens.

***Creating Sophisticated Images:**

This workshop is a 4- hour classroom-style class.

Cost is \$95 per person: Minimum of 12 people/ max of 20

Taking part of this workshop will improve your skills of composition and better your overall understanding of what makes a photo a good photo. We will discuss composition, layering, points of entry, and how to anticipate decisive moments.
