

Joyce Bayley

Joyce Bayley died Oct. 2, 1997, at her home. She was a teacher. Joyce was born Oct. 29, 1921 and was originally from Colesville. She was survived by her husband, Ned, three children, and five grandchildren.

Joyce Bayley was the President of the SSCC and a hard worker in the club. She held get-togethers at her home for the board and their families. Her yard was at least an acre of gardens including the prize peonies that she created. Her nature photos were always quite beautiful. After she died we decided to honor her memory by giving an award in her name to the best nature photo.
